Girl you make me say (Oh)
Girl I make you say (Oh!)
You make me say (Oh!)
Girl you make me say (Oh)
Girl I make you say (Oh!)
You make me say (Oh!)

[Chorus]

(Call me) If you need some lovin for the night
(Call me) You ain't gotta dial the number twice
(Call me) Baby girl, I lick and don't bite
(Call me) When it's time to turn off all the lights

[Slick 'Em]

(Call me) you can call me any time, any day, 'cuz I like
my women fiesty baby
I'mma take you on a fast ride of your lifetime that's
gonna drive you crazy
you dealin with --- tell you the truth they can't come
close to me
I'm a blue star baby girl and I'm built with plenty of
energy
but when it comes to sex I'm a real woman scholar
just hit me on my sidekick you know ya boy gone holla
got you reminising his love ain't true, his love is fiction
I'm tired of sittin' gimme a call I'll be there in a minute.

[Chorus]

(Call me) If you need some lovin for the night
(Call me) You ain't gotta dial the number twice
(Call me) Baby girl, I lick and don't bite
(Call me) When it's time to turn off all the lights

(Call me) If you need some lovin for the night
(Call me) You ain't gotta dial the number twice
(Call me) Baby girl, I lick and don't bite
(Call me) When it's time to turn off all the lights

[Spectacular]

When you home alone just hit my phone when you
lonely girl
You so beautiful, I made you my tenderoni girl

And I like my girls with meat and not just some little
boney girl
And I do like boney girls but long as they not phoney
girls
Call me up when you turn off your lights

might show you a couple of things that you like
and you ain't never gotta dial my number twice
'cuz I'll be there quicker than some minute made rice.

(Call me) If you need some lovin for the night
(Call me) You ain't gotta dial the number twice
(Call me) Baby girl, I lick and don't bite
(Call me) When it's time to turn off all the lights

(Call me) If you need some lovin for the night
(Call me) You ain't gotta dial the number twice
(Call me) Baby girl, I lick and don't bite
(Call me) When it's time to turn off all the lights

[Baby Blue]

Yeah, Baby Blue. Whoa!
You called me I'm headed up your block tryna hit your
spot
Have that Victoria Secret on when you hear that knock
I see you peepin' out yo window when you hear my ride
open yo door and let me come inside (come inside)
We can role play, I'll be a dirty cop
headin up ya block makin it hot
lock you up in some handcuffs
throw away the key to the lock
I'm 24-7 like 7-11
No rebellin' stoppin when I'm hearin you yellin
So, call me, page me, I'm on the way dependin on ya
attitude baby
Girl you make me say (Oh)
Girl I make you say (Oh!)
You make me say (Oh!)
Girl you make me say (Oh)
Girl I make you say (Oh!)
You make me say (Oh!)

(Call me) If you need some lovin for the night
(Call me) You ain't gotta dial the number twice
(Call me) Baby girl, I lick and don't bite
(Call me) When it's time to turn off all the lights

(Call me) If you need some lovin for the night
(Call me) You ain't gotta dial the number twice
(Call me) Baby girl, I lick and don't bite
(Call me)
