Saaaay ladiesssss  
You got to...feel da rush ayyyyyy  
Feel da rush ayyyyyy

[Pleasure P: Verse 1]

You lie down on the couch kissin me from head to toe  
You breathin harder like yo oxygen cuttin low  
I grab my bare dick and in my skin we feelin good  
Im lickin round ya nipples, dick harder than some wood  
I started suckin on ya belly button with some ice  
Say ooo yea baby girl I know your feelin nice  
Say feel da rush, feel da rush  
I'm lovin' you with me  
We feeling good like we trippin off dat ecstasy  
Say feel da rush, feel da rush, for lovin you with me  
We feeling good like we trippin off dat ecstasy  
Say feel da rush, feel da rush  
I'm lovin' you with me  
We feeling good like we trippin off dat ecstasy

[Pleasure P: Verse 2]

You gotta...feel da rush, from off one touch  
Gave me one kiss got my dick standin up  
If you aint wanna do it all night you outta luck  
I wanna make love have sex and to fuck

A we could...do it all night, without the lights  
And if itz tight don't worry I'll make it right  
Its like we flowin off dat ecstasy  
High as a kite  
I don't eat pussy girl but tonight I might  
I wanna hit ya from da front and behind  
And we can do it anywhere whateva on ya mind  
Just sit back and recline its my time to shine  
Make you cum first girl before I get mine  
You need to...let me kno what's ya fantasy  
And I'mma fullfill every need that you plan to see  
And it's alright if I aint ya man ta be  
But I promise girl keep it between you and me.

[Pleasure P: Verse 3]

Say no more playin tongue I went to playin wit yo clit  
You scream my name say "MARCUS, please give me  
dick!"

I don't wanna rush,

Babygirl let's move it slow

We hittin foreplay as we walk through da door

Ooh baby Ooh baby Ooh baby got me feelin good

Say feel da rush, feel da rush, comin from my wood.
