See the lust in your eyes I know you can't hide it  
And your walk and vibe makes me want to try it  
Like lac' spinning rims i love it when you ride it  
You a stallion baby you know you got body

Hook

You working that thang, you tworking that thang  
I love them g-strangs, it's just a g-thang  
I'm merking that thang, t'm tworking that thang  
Still stroking that thang, it's just a g-thang

Chorus repeat 2x's

Can you make it juicy for me  
Or can i make it juicy for you  
You get sweaty for me  
And I can get sweaty for you

Now i'm a passionate lover just like passionate sex  
Butt naked in the classroom on the teacher school desk  
Triple x rated call me slick-em-high i get that body wet  
and then i lick em down  
I'm on point and best believe i ain't no teaser  
I wanna get deep and a little bit deep and a little bit  
deeper  
Sweeping you off your feet like a ray talking about  
slick-em-way  
Naw i ain't stoping till i feel a backboard break

Spectacular

I'll be your lover man, your special lover man  
And i'll do anything that you want me to do plus more  
and more  
If you want me to rub ya down, massage your body  
cause it feeling sore  
then baby just close the door and let me take control i'll  
be the man dreams  
Better yet your superman take you places you never  
been  
so close close you can call us kin cause you got that  
juicy  
And i love your body next to me amd i love your body  
next to me

I sweat for you so sweat for me

Chorus

Hook

You so juicy you know what i and i wanna put my you  
know what down there  
I got a fetish for pulling hair so might end up with a  
track or two plus a ginger tip  
Carress ya hip, rub my lips, kiss your lips  
oh baby come closer to me express your emotions to  
me  
wanna press my body against yours feel sweat coming  
from our pores  
I'm pushing harder inside ya forget my girl get yours  
you so juicy and i'm so juicy for you  
ain't no better feeling than me inside you

I'm tasting every drop  
gonna get candyshop

I'll let you climb on top  
and let the nookie pop  
under the cookie jar
