[Chorus]

We making music in the bedroom, music in the  
livingroom, music in the bathroom, when we makin love  
Music in the bedroom, music in the livingroom, music  
in the bathroom,when we making love

[Baby Blue]

Yeah,  
Baby Blue,  
Woah,

I love comin home  
You blowin on me like a saxophone  
I'm blowin on you like a trombone  
You my favorite song when I turn you on  
Let me be your kit-kat good gurl  
In your orchestra gurl  
Got ya leg strapped around my neck,like a guitar hurtin  
ya girl  
Bumpin in my car at the pod  
YOU can get this music anywhere,  
even at Walmart  
In the parkin lot, or the shoppin cart  
I do nasty things when we in the dark  
We steadily bumpin, hittin you with this percussion  
Bout to make you have a concussion  
Makin music is really really something

[Chorus]

We making music in the bedroom, music in the  
livingroom, music in the bathroom, when we makin love  
Music in the bedroom, music in the livingroom, music  
in the bathroom,when we making love

[Bridge]

Im so in love with you , that wat music does to you  
Im so in love with you , that wat music does to you

oooo ah oooo ah oooo baby (ahhh babe)

[Spec]

We makin music from the bed squeakin back and forth  
Sweet music girl you tellin me that you want some more  
I make you sing like a choir higher and higher  
I put my lips on any instrument that you desire

I wanna hold ya,  
Just wanna squeeze ya,  
Dont wanna tease ya,  
Just wanna please ya  
We got the neighbors sayin keep the music down  
but we goin all night,  
so enjoy the sound

[Slick]  
Slick'em hound,  
Let me pump ya pump ya up louder louder like the  
stereo  
I turn you on all night  
like my room radio  
I can be your violin I just want to stroke ya stroke ya  
You tell me im your trumpet just lay back and let me  
row ya row ya  
i wanna Put you in my my arms, beat that thing how I  
play my drums  
Ra-ta-tat-tat to the ta-tat-tat  
Rum-a-bum-bum-bum  
Body shakin in the bed like a tambourine  
Phone in my ear til you fall asleep  
The way we bumpin and grindin all night to the  
beat,you remind me of my jeep

[Pleasure]  
Your my favorite song, when I turn you on  
I hear you all night long when I turn you on

[Chorus]  
We making music in the bedroom, music in the  
livingroom, music in the bathroom, when we makin love  
Music in the bedroom, music in the livingroom, music  
in the bathroom,when we making love

[Bridge]  
Im so in love with you , that wat music does to you  
Im so in love with you , that wat music does to you
