And let me put a few love buzzes in your ear.

You smile at me.

Girl you so fly.

Shorty, you never had a thug like I...

Verse 1: (Spectacular)

shorty would you be mine?

Think about you all the time.

You on my speed dial.

Don't answer the phone and I'll be damned if I hit redial.

(Can you hear me now?)

Good, from the first time I called I knew you understood.

But do you comprehend?

Girl, get wit the plan.

I'm like one hour, compared to a minute man.

I'm everlasting.

I want longevity.

Under Pretty Ricky baby where you need to be.

Chorus:

Say shorty would you be mine.(Would you be mine?)
Say would you be mine.(Say would you be mine?)
Shorty would you be mine?
Say would you be mine?(Would you be mine?)
Say would you be mine?(Would you be mine?)
Shorty would you mine?

Say shorty would you be mine?(Would you be mine?)
Say would you be mine?(Say would you be mine?)

Verse 2: (Baby Blue)

know you young, but you ready.
(I know you young, but you ready)
See, we can bump and grind like R.Kelly.
(We can bump and grind like R.Kelly)
Baby we ain't gotta fuss and fight.
(We ain't gotta fuss and fight)
Let's time our time and do it right.
We gone make love tonight.

I'm like a love rollercoaster.
Flip you over.
Make you scream my real name.
holla diamond Blue Smith when you feel the pain.
Ain't running game.
That ain't my territory.
Ask Remy Martin what's the real true story.
When I push pull me closer.
Let me put this thing on ya.
Like ya lover suppose to.
I'm the one you need girl.
Girl, let me show ya.
I'll turn you to a woman from a child.
I'm yo destiny.
Baby I'ma soldier.

Pleasure:
ohhhh.....

We gone break it down.
We gone break it down.
Shorty, shorty, say would you be mine?
(Shorty, shorty, would you be mine, shorty would you
be mine?)
Shorty, shorty, say would you be mine?
(Shorty, yeah, shorty would you be?)

Verse 3: (Slick'Em)

'm not gone leave ya.

I'm not a cheata.

A heartbreaker and deceiver.

I wanna be wit ya.

Now shorty would you be mine?

Through hard times.

Easter, Christmas, Thanksgiving even Valentine's.

Forever today and beyond.

Baby what's wrong?

Ain't nothing wrong wit slow grinding to a slow song.

Now give me my neckbone.

You feeling so tender.

Let me play some of this Teddy Penda.

What's on my agenda?

Putting ice on yo ring finga, yeah.

Chorus:

shorty would you be mine?(Would you be mine?)

Say would you be mine?(Say would you be mine?)

Shorty would you be mine?

Say would you be mine?(Would you be mine?)
