[Slick'Em:]

I got somethin that'll make you wanna stay the night I
got somethin that'll make you wanna stay the night I
got somethin that'll make you wanna stay the night hey
I got somethin that'll make you wanna stay the night

[Chorus:]

You ain't gotta be alone you can come and be with me
whenever your man ain't home girl you can come and
sleep with me babe you ain't gotta be alone you can
come and be with me whenever your man ain't home
girl you can come and sleep with me baby

[Baby Blue:]

I put some coke on that pussy and then I sniff it pour
some coke and Henny in that ass and then I lick it li-li-li-
lick it I'm freak nasty even before I stick it baby I talk
nasty pussy on my breath baby I put a gun that pussy
and make you blow it then I make that pussy cum till
that pussy start squirtin I do them thangs that your man
don't do like suck that pussy from the back nose all in
your ass I'm the D-I-C-K big dinga ling big dick don't
rubbers crown me a king I keep you cumin cause I know
what you like and it ain't no stoppin cause I'm doing it
right, whoa!

[Chorus:]

You ain't gotta be alone you can come and be with me
whenever your man ain't home girl you can come and
sleep with me baby

[4Play:]

And I'll spread you on my silk sheets (then I'm) I'm
taking you straight to B-E-D I'll have you grippin the
pillow bittin the pillow and squeezin the pillow when I'm
fightin this 4Play lovin and all you can fight

[Spectacular:]

Got your cell phone up when your man ain't round you
stressed out head spinnin like a merry go round you
got a frown baby girl I'll turn it around got a pocket full
of spartans and it's going down got a couple chicken
heads with my names tatted on me girl when we makin
love I see my name tatted on you I just shower with the
towel with my name written on it and a king size bed
with my name written on it in the bed girl I'm somethin
like a tiger he got you on lock you can call me Magavier
if you uptight you can come and spend the night
escard gold watch hit it lightin up your night, 4real!

[Chorus:]

You ain't gotta be alone you can come and be with me
(you can come and be with me shawty) whenever your
man ain't home girl you can come and sleep with me
baby

Yea!

[Slick'Em:]

I don't make love I'm a certified freak take a jello shot
and butter sand you girl to the sheets now what what 4
times hittin my patience you serve the new wife I guess
you dedicator 2 years 2 months I'll be your gladiator
grabbed me with that see call Slick your life saver now I
must a make girl let go of the hater I want it now forget
later baby it's a favor I know you pretty I don't show em
no pity I ain't gon watch that biddy and I don't like them
sidity I like them straight out the city and you gotta bad
enough hold on lil mama too skinny gotta be fat
enough

[Chorus:]

You ain't gotta be alone you can come and be with me
(you can come and be with me shawty) whenever your
man ain't home girl (whenever your man ain't home)
you can come and sleep with me babe you ain't gotta
be alone you can come and be with me (you can come
and be with me baby) whenever your man ain't home
girl you can come and sleep with me baby
