Its a great December  
Got the makings of a crazy winter  
I go eighty on an eighty like I aint remember  
My last whip  
I crashed it when that Mercedes hit us  
I choose a cast over a casket  
I cant pretend Im not effected  
I sit and reflected  
Think about the things  
I see in the Chi  
And Im a speak to you  
Like I'm leading the blind  
An hope you get a good picture  
Like your reading my mind  
I grew up the Roslin  
An I stayed in the burbs to  
Slept at the park  
When I was late for a curfew  
I got work to  
You should see  
How them birds flew  
Cause when I wanna eat  
Thats what Im gonna serve you  
I used to stay off Michigan  
Im like dis the plan  
Go to Harolds  
An care when I get to hand  
I got issue man  
Rob got hit with ten shots  
I will not ever stop I'll miss you man  
Im a take you on a ride  
We can ride through the hood  
Show you what I see everyday in the Chi  
Im a take you on a ride  
Sure aint safe no more  
Im a take you on a ride  
And dont you forget  
That were rolling smokin that six o  
Im a take you on a ride  
So come take a stroll with me  
The youths dying at an enormous rate

Cause your thinking that were gonna wake  
Weve been sleeping an the doom is date  
We think we eatin but take a look at the plate  
Chicken all the time cause we cant even afford the  
steak  
I was on the lake at night on a date  
Like like in the whip her lips on my face  
Then i wanna face that lip on the eigh
