[Hook: Pleasure]

Yeah...

It's Da Boys Pretty Ricky
And I Know Some Of Yall Sexy Ladies
Wanna Know How We Do It

I Like It Real Slow
Like Walking Through The The Door
Naked In A Trench Coat
Makin Love On The Stove
We Can Take It To The Floor
Gimme Gimme Some More
How Long Can U Go
I Just Thought I'd Let U Know Girl

[Chorus:]

Up And Down We Go
Like The Sunlight And The Moon Light
Can I Get U Right
In and out I Go
Like Making Love
That Good Love, That Butta Love
Up And Down We Go
Like A See-Saw
I Love It When you Ride It, Ba Ah-ah-ah-ah-ahh
In And Out I Go
Imma Stroke It Slow,
Don't Tell Me No
Whoaaa

[Verse 1: Spectacular]

Baby let me slide in
We Can Keep It Private
Hit U From Ur Front To Your Back To Ur Side And
Girl I'm Known For Action
Sexual Satisfaction
I'm The One that beat it When For Boyfriend Just
Relaxing
Caressing Your Body Until U Get Hot
While I Got Ur Body Feening
Touching On Ur Hot Spott
The Ladiess Call Me Spectac (Spectac)

U Can Check My Contract
Got A Couple Mill Out The Da Deal For My Six Pack

[Chorus:]

Up And Down We Go
Like The Sunlight And The Moon Light
Can I Get U Right
In And Out I Go
Like Making Love
That Good Love, That Butta Love
Up And Down We Go
Like A See-Saw
I Love It When you Ride It, Ah-ah-ah-ah-ahh
In And Out I Go
Imma Stroke It Slow,

(Yeah Baby Blue Whoa)
Gurl Can U Imagine getting on top of me
Having Da Time Of Yo Lyfe With A G
On the top floor of this dictator

Cause It Ain't Nothing For Me To Freak U,
Up And Down We Going Between Sheets Boo,
This Thang So Good
Wanna Take Me To Da Hood If U Could
And Let Me Meet Yo People
Cause I, I'm Da King Of Freakiness
Put handcuffs on your wrist

Behind the headboard I leave dents

U Can Call Me Knock Out King Because
I Hit Them On Da Floor When I Represent
