Yea, it's Pretty Ricky

Yea Baby Blue, whoa!

[Baby Blue:]

The pretty brown eyes got me willin willin shone in my zone got my vibin vibin shawty took it to the head and perfect timing I'm a introduce myself my name is Diamond (Diamond?) I'm a do your body well make your body excel I'm a make that body jerk like my SL I'm a make that bed jerk like an Nextel (ooh boy you nasty!) that's right shawty sex cells that's why I'm chunky girl stay on my tripple XL double XL to XL but I love them thick girls whenever we vibin in the mornin them double XL's always gets her goin the magazine that is shawty

[Chorus:]

When we gettin up you look like a cover girl (on my double XL that double XL) what up girl you look like a cover girl (on my double XL that double XL) everytime you kiss goodbye (you on my double XL that double XL) so I give it to you girl (I'll go) I'll go where he won't go I'll do what he don't do girl that's why I'm drivin you wild drivin you wild pretty brown eyed girl

4Play! What it is!

[Slick'Em:]

I'm breakin down this creepy green on this magazine lookin at the cover like yea that's where I ought to be right there on the side between your thighs in that bikini suit brown eyes with attitude I know you run the city boo I run the city too girl hop up in this Coup she asked me what a roof I say don't worry it's invisible got em lined for this screaming I don't like surprises shed beauty of the week we on the jet vibin she like it public but I like it private girl what I'm feelin girl I'm not gon hide it she popped the question need support stacks on deck Slickemphante needs endore

[Chorus:]

When we gettin up you look like a cover girl (on my  
double XL that double XL) what up girl you look like a  
cover girl (on my double XL that double XL) everytime  
you kiss goodbye (you on my double XL that double XL)  
so I give it to you girl

Yea, yea!

[Spectacular:]

You can do what you want I won't tell (I won't tell) I like  
the way you walk love the way you smell first day  
straight to the beach bring in South let the wind breeze  
it's just you and me wave in the water floatin like the  
seaweed caress your back infactuated with your eyes  
your full lips and your beautiful smile I got you right  
where I want ya (want ya) I know you want it don't ya  
(don't ya) I won't dissappoint ya me in competition that's  
irrelevant you can't tell me who I ain't better than

[Chorus:]

When we gettin up you look like a cover girl (on my  
double XL that double XL) what up girl you look like a  
cover girl (on my double XL that double XL) everytime  
you kiss goodbye (on my double XL that double XL) so I  
give it to you girl (I'll go) I'll go where he won't go (I'll  
go) I'll do what he don't do girl (I'll do) that's why I'm  
drivin you wild drivin you wild pretty brown eyed girl I'll  
go where he won't go (I'll go) I'll do what he don't do  
girl that's why I'm drivin you wild drivin you wild pretty  
brown eyed girl
