Without Your Love

Roger Daltrey

You can show me the way

Give me a sunny day

What does it mean without your love

And if I could travel far

If I could touch the stars

Where would I be without your love

Whenever I get to feel down and out

I think about what you said and then I give out

If I could fly away

If I could sail today

Where would I go

Without your love

And if I ever wander away too far

Mmm, you come a-looking for me with open arms

I could forget my home

Feel like a rolling stone

What would I be without your love?

And what does it mean without your love?

Where would I be?
