When we notice.
WeæŠ³e taken all.
To the point where we must go.
I know this.
That this is right.
But i can not let him be yours.
And after all iæŠ³e done it seems that youæŠ®e ok.
You close it up you board it off and i canæŠ° stay.
Now you find out.
IæŠ| not the only one.
Who cares for you.
So you run.
Have the time of your life.
I wonæŠ° drag you down.
And after all iæŠ³e done it seems that youæŠ®e ok.
You close it up you board it off and i canæŠ° stay.
And after all iæŠ³e done this time.
I canæŠ° fix this.
You must be done with modest times.
I canæŠ° fix this.
