Cherish, Cherish!!!

So tired of broken hearts and losing at this game  
Before I start this dance  
I take a chance in telling you  
I want more than just romance  
You are my destiny, I can't let go baby can't you see  
Cupid please take your aim at me

Chorus:

Cherish the thought  
Of always having you here by my side (oh baby I)  
Cherish the joy  
You keep bringing it into my life (I'm always singing it)  
Cherish your strength  
You got the power to make me feel good (and baby I)  
Perish the thought  
Of ever leaving, I never would

I was never satisfied with casual encounters  
I can't hide my need for two hearts that bleed with  
burning love  
That's the way it's got to be  
Romeo and Juliet, they never felt this way I bet  
So don't underestimate my point of view

chorus:

Cherish the thought  
Of always having you here by my side (oh baby I)  
Cherish the joy  
You keep bringing it into my life (I'm always singing it)  
Cherish your strength  
You got the power to make me feel good (and baby I)  
Perish the thought  
Of ever leaving, I never would

Who? You! Can't get away I won't let you  
Who? You! I could never forget to  
Cherish is the word I use to remind me of ooooh your  
love

you giving it  
you giving it to me boy  
you giving me all, all, all new joy to me babe  
I will always cherish you

Romeo and Juliet, they never felt this way I bet  
So don't underestimate my point of view

Who? You! Can't get away I won't let you  
Who? You! I could never forget to  
Cherish is the word I use to remind me of your love

chorus:

Cherish the thought  
Of always having you here by my side (oh baby I)  
Cherish the joy  
You keep bringing it into my life (I'm always singing it)  
Cherish your strength  
You got the power to make me feel good (and baby I)
