Do I know you from somewhere?
Why do you leave me wanting more?
Why do all the things I say
Sound like the stupid things i've said...
Before

Kiss me i'm dying
Put your hand on my skin
I close my eyes
I need to make a connection
I'm walkin on a thin line
I close my eyes

Do I know you from somewhere?
Why do you leave me wanting more?
Why do all the stupid things I say
Sound like the stupid things i've said...
Before

Touch me i'm trying
To see inside of your soul
I've got this thing
I want to make a correction
I'm not like this all the time
You've got this thing
You've got this thing

Do I know you from somewhere?
Why do you leave me wanting more?
Why do all the things I say
Sound like the stupid things i've said...
Before

Kiss me i'm dying
Put your hand on my skin
I close my eyes
I need to have your protection
I close my eyes
I close your eyes

Do I know you from somewhere?
Why do you leave me wanting more?

Why do all the stupid things I say
Sound like the stupid things i've said...
Before??
