"The Power Of Goodbye"

Visit "[The Power Of Goodbye](#)" on MotoLyrics.com

Your heart is not open so I must go
The spell has been broken, I loved you so
Freedom comes when you learn to let go
Creation comes when you learn to say no
You were my lesson I had to learn
I was your fortress you had to burn
Pain is a warning that something's wrong
I pray to God that it won't be long
Do ya wanna go higher?

Chorus:

There's nothing left to try
There's no place left to hide
There's no greater power
Than the power of good-bye
Your heart is not open so I must go
The spell has been broken, I loved you so
You were my lesson I had to learn
I was your fortress

Chorus 2:

There's nothing left to lose
There's no more heart to bruise
There's no greater power
Than the power of good-bye
Learn to say good-bye
I yearn to say good-bye

(chorus, substituting "no more places" for "no place left")
