Waited In A State Of Sleep
Until The Time Was Right
Raised To Fight The Holy War
Won't Make It Thru This Night
Innocence Is No Excuse
A Million Gotta Die

Born To Kill - Allah's Will

If This Is Armageddon
Then Who The Hell Are You
The Soldiers Of The Holy War
Are Bringin' Hell To You

Said A Prayer In The Night
A Quick One's Gotta Do
Nothing's True As Fire
And They're Bringin' It To You
The Moment Of Revenge Has Come Now
Never Shall It End

Blind Of Hate - No Debate

If This Is Armageddon
Then Who The Hell Are You
The Soldiers Of The Holy War
Are Bringin' Hell To You

If This Is Armageddon
Then Who The Hell Are You
The Soldiers Of The Holy War
Are Bringin' Hell To You
