Out of this world in another dimension
2000 lightyears from home
Defending the faith he fights for a mission
But he is standing alone

Bridge:
Just like an outlaw he's fighting for freedom
Defeating the enemy's pride
Keepin' it all under surveillance tonight

Chorus:
Chainbreaker
He fights for the right
Chainbreaker

Watchin' the dark he supresses the evil
Raisin' the spirit up high
Beware of the dead this place is so lethal
He's livin' a dangerous lie

Bridge:
Just like an outlaw he's fighting for freedom
Defeating the enemy's pride
Keepin' it all under surveillance tonight

Chorus:
Chainbreaker
He fights for the right
Chainbreaker

Devastating disillusion no solution
Everlasting resurrection with dejection
Degradation desperation lost emotion
Aggravation desolation in perfection

Solo

Bridge:
Just like an outlaw he's fighting for freedom
Defeating the enemy's pride
Keepin' it all under surveillance tonight

Chorus:
Chainbreaker
He fights for the right
Chainbreaker
Chainbreaker
Chainbreaker
