Chorus:

Got the hot and spicy flavor won't you come and get it
Not your ordinary chick, yeah we independent

Chilosa, Chilosa, Chilosa, Chilosa

Know we get loud know we scream and shout,
Hell we gonna turn it up, then we turn it out

Cause we're
Chilosa, Chilosa, Chilosa, Chilosa

VERSE:

Downtown cruising in my G35
Got my jeans hanging on me, fittin on me just right
My girls rollin out, about to make your night
Check
Got my fingers blinging
Check
Got the celly ringing
Lips are shining, keep my game so tight
Bumpin through the streets, bout to blow your mind
What you know about a mami with some curves this
fine
Check
Got the speakers blowin
Check
Got the speakers blowin

PRECHORUS:

Oooohhhh
Feelings you know that we keep it real
(No Time)
No time to hold back girl lets go

CHORUS:

Got the hot and spicy flavor won't you come and get it
Not your ordinary chick, yeah we independent

Chilosa, Chilosa, Chilosa, Chilosa

Know we get loud know we scream and shout,
