Striking through the dust  
With elemental forces  
Keeping up the quest  
And all will turn to wrecks

Hiding in the dark  
No one ever sees me  
The enemy returns  
The land will turn to black

You hide in dignity  
Our time is done  
Gone for eternity  
When all is gone

You cry, you die  
It's your last resort  
When all is turning black  
In Colony 13  
You see the sky  
It's the final sign  
When all is turning black  
In Colony 13

Racing through the light  
At cyberspeed and silver  
You feel it in your bones  
It's the final call

Red on the horizon  
Screams out of the dirt  
The final gunshot sounds  
You take the final breath

You hide in dignity  
Our time is done

Gone for eternity  
When all is gone

You cry, you die  
It's your last resort  
When all is turning black  
In Colony 13  
You see the sky  
It's the final sign  
When all is turning black  
In Colony 13
