[oh-hh]
Corazon
[oh-hh]
Yeah

Sometimes I just don't get it
And I don't know why
Your heart all up in it
And it still don't fly
Girl I know (I know, I know), yeah I know
Sometimes you feeling so low
When you gotta maintain
Nine out of ten
That damn, run the same game
Girl I know (I know, I know), yeah I know

Don't worry you're not alone
Baby those days are gone
I promise you it'll get better, better
Corazon a corazon (Colby O')

I-I-I know what you want, girl
I know what you need (hey)
You need that affection
That'll set you free
Hey, gotta be there for you, you
Hope you for me, me
And you recognize what I see, ohh

Don't run away keep it real with yourself
Do it for you, not for nobody else
Girl I know (I know you know I know what, you know I
know) yeah, I know (I know you know I know what, you
know I know)

[Corazon (Remix) Feat. Colby O' Donis Lyrics On]

Don't worry you're not alone

Baby those days are gone
I promise you it'll get better, better
Corazon a corazon (No worries, yeah we got you we
won't give up on it)

Baby those days are gone
I promise you it'll get better, better
Corazon a corazon (No worries, yeah we got you we
won't give up on it)

When I couldn't ? get back, when it was just you and me
Tryna get it quick but the lost I'm losing, I'm trying to be
Your man, this time, don't plan, don't lie to you (ooh-
ooh)

Yeah, Prima J, Prima J (oh-hh)
Don't worries, baby girl don't treat you so wrong (oh-hh,

Cause I'ma be here for you
You're not alone, you're not alone (hey-yy)

Don't worry you're not alone
Baby those days are gone
I promise you it'll get better, better
Corazon a corazon (Corazon, corazon)

Don't worry you're not alone
I know what you want, girl
I know what you need (I got you)
You need that affection
That'll set you free (oh-hh, I got you)
Gotta be there for you, you
Hope you for me, me
And you recognize what I see, ohh

Don't worry you're not alone
Baby those days are gone
I promise you it'll get better, better
Corazon a corazon (I got you, yea now I got you, don't
