Don't worry your not alone
Baby those days are gone
I promise you it'll get better(better)
Corazon a corazon

Sometimes I just don't get it
And I don't know why
Your heart all up in it
And it still don't fly
Girl I know- yeah I know
Sometimes your feeling so low
When you gotta maintain
Nine outta ten of them
Run the same game
Girl I know- yeah I know

Don't worry your not alone
Baby those days are gone
I promise you it'll get better(better)
Corazon a corazon

Don't worry your not alone
Baby those days are gone
I promise you it'll get better(better)
Corazon a corazon

He acts like your man
But he got girls on the side
Pain makes you high
But the truth don't lie
Girl I know - yeah I know
Don't run away
Keep it real with yourself
Do it for you
Not for nobody else
Girl I know - yeah I know

Don't worry your not alone
Baby those days are gone
I promise you it'll get better(better)
