[Black Sabbath cover]

Yell with the wind, though the wind won't help you fly at
all your back's to the wall
Chain the sun, and it tears away and it breaks you as
you run, you run, you run!
Behind the smile, there's danger and a promise to be
told: you'll never get old - ha!
Life's fantasy - to be locked away and still to think
you're free you're free, you're free!

So live for today
Tomorrow never comes

Die young, die young
Can't you see the writing on the wall?
Die young, gonna die young
Someone stopped the fall

Yell with the wind, though the wind won't help you fly at
all your back's to the wall
Chain the sun, and it tears away and it breaks you as
you run, you run, you run!

So live for today
Tomorrow never comes

Die young, young!
Die young, die young!
Die young, die young, young!
Die young, die young, die young, die young, die
young!!!
