Jim Jones, Yeah
Prima J, Ay Ay
Lets go

uh uh uh uh uh uh
Yeah Yeah Yeah Yeah
uh uh uh uh uh uh
Yeah Yeah Yeah Yeah

I told him I like ya wit ya clothes on
But they gotta come off
So you better have em off when I come back
And I said yes I gotta boyfriend
but he's out of town
Baby he ain't coming home
So you can relax
Don't need Hennessy Tequila
Or a couple Margueritas
Cause I'm tipsy natural
Damn it's so unfair
You were fixiated on my Navel
When I got up on the table
Pulling secrets out my purse
Always so prepared
He said...

You're not an emotional kind of girl
You know what you want
And I'ma give it to you
A very unapproachable kind of girl
I got what you need
And I'ma give it to you

This weak I've never seen her before
She's like an animal
She walked in and throw her clothes on the floor
I think she's highly flammable

S-S-S-She's so hard to Tame
T-T-T-Tame
S-S-S-She's so hard to Tame
T-T-T-Tame

S-S-S-She's so hard to Tame
T-T-T-Tame
S-S-S-She's so hard to Tame
T-T-T-Tame
She's like, She's like an animal

I said I'm ready for some round three
Yeah wrap my legs around him
And this time I want you to pull my hair
Booty bouncing up and down
And I took it to the ground
He was lovin it but then we almost broke that chair
As the walls started rocking
The whole club behind us watching
Getting crazy almost made them wanna close their
eyes
It was time I made it clear
So I whispered in his ear

I said brace yourself I'm about to blow your mind

You're not an emotional kind of girl
You know what you want
And I'ma give it to you
A very unapproachable kind of girl
I got what you need
And I'ma give it to you

This weak I've never seen her before
She's like an animal
She walked in and throw her clothes on the floor
I think she's highly flammable

S-S-S-She's so hard to Tame
T-T-T-Tame
S-S-S-She's so hard to Tame
T-T-T-Tame
S-S-S-She's so hard to Tame
T-T-T-Tame
S-S-S-She's so hard to Tame
T-T-T-Tame
She's like, She's like an animal

I'ma bad girl that can handle that
I put it down so crazy Maniac
Your toes curl up and your eyes roll back
Ain't nobody ever put it on ya like that
I bangs real hard like Jone's tracks
Don't catch feelings, don't call back
They wanna come and claim the cat
but ain't nobody taming that

So you can put away ya leash
I'm beast get it get it
Hey these suckers love sick
Cause I'm so sick wit it
And if you ain't know then you know now
This is how it's going down
Can't nobody hold me down

She's like, She's like an animal

This weak I've never seen her before
She's like an animal
She walked in and throw her clothes on the floor
I think she's highly flammable

S-S-S-She's so hard to Tame
T-T-T-Tame
S-S-S-She's so hard to Tame
T-T-T-Tame
S-S-S-She's so hard to Tame
T-T-T-Tame
S-S-S-She's so hard to Tame
T-T-T-Tame
She's like, She's like an animal
