Every Night I Dream The Same Old Frightning  
Nightmare  
Calling Out For Answers No One Can Explain.  
Voices In The Distance, Can Not Understand Them  
Faces Look At Me, They Call Out My Name.

Back To Reality I Realize It's The Naked Truth  
See People Stare At Me - Can't You See That We Went  
Much Too Far

My Dedication To The Past, I'm Gonna Draw The Line  
You Hit Me With An Iron Fist in A Velvet Glove

It's Time To Talk It Over, This Can't Go On No Longer.  
Can't You See The Fact That We Are Worlds Apart,  
We Better Seperate Ways Or Hate Is Getting Stronger.  
Last Chapter In The Act, Two More Broken Hearts.

Your Style Is Killing Me, I Hate The Way You Are  
No Step Will We Go On, Can't You See That We Went  
Much Too Far

My Dedication To The Past, I'm Gonna Draw The Line  
You Hit Me With An Iron Fist In A Velvet Glove  
There's No Progression From The Past As Time Of Life  
Goes By  
You Hit Me With An Iron Fist In A Velvet Glove
