So Cold Is The Night  
It's Silent Without Light  
Since Days They Promised Us  
To Be Home Again

The Death Comes Closer  
He Fear's Coming Nearer To Us  
There Will Be No Tomorrow,  
Do We Go Insane

I Have A Picture Of You With Me

Will There Ever Be An End  
Will There Ever Be A Last Goodbye  
Please Tell Me There Is Hope  
In Silence Till We Die

There Is Still Longing  
In My Eyes I See A Different Earth  
I'm Not Impressed, It's Just The Silence

There Must Be Something To Believe In

Will There Ever Be An End  
Will There Ever Be A Last Goodbye  
Please Tell Me There Is Hope  
In Silence Till We Die

Waiting it's Lately  
And There Will Be A Fight  
Escape To A New World  
What Will Be Behind These Lies

Will There Ever Be An End  
Will There Ever Be A Last Goodbye  
Please Tell Me There Is Hope  
In Silence Till We Die
