Jim Jones, Yeah  
Prima J, Ay Ay  
Lets go

Uh uh uh uh uh uh  
Yeah Yeah Yeah Yeah Yeah  
Uh uh uh uh uh uh  
Yeah Yeah Yeah Yeah

I told him I like ya wit ya clothes on  
But they gotta go  
So you better have em off when I come back  
And I said yes I gotta boyfriend  
But he's out of town  
Baby he ain't coming home  
So you can relax  
Don't need Hennessy Tequila  
Or a couple Margueritas  
Cause I'm tipsy natural  
Damn it's so unfair  
You were fixiated on my Navel  
When I got up on the table  
Pulling secrets out my purse  
Always so prepared  
He said...

You're not an emotional kind of girl  
You know what you want  
And I'ma give it to you  
A very unapproachable kind of girl  
I got what you need  
And I'ma give it to you

This weak I've never seen her before  
She's like an animal  
She walked in and throw her clothes on the floor  
I think she's highly flammable

S-S-S-She's so hard to Tame  
T-T-T-Tame  
S-S-S-She's so hard to Tame  
T-T-T-Tame

S-S-S-She's so hard to Tame  
T-T-T-Tame  
S-S-S-She's so hard to Tame  
T-T-T-Tame  
She's like, She's like an animal

I said I'm ready for some round three  
Yeah wrap my legs around him  
And this time I want you to pull my hair  
Booty bouncing up and down  
And I took it to the ground  
He was lovin it but then we almost broke that chair  
As the walls started rocking  
The whole club behind us watching  
Getting crazy almost made them wanna close their  
eyes  
It was time I made it clear  
So I whispered in his ear  
I said brace yourself I'm about to blow your mind

You're not an emotional kind of girl  
You know what you want  
And I'ma give it to you  
A very unapproachable kind of girl  
I got what you need  
And I'ma give it to you

This weak I've never seen her before  
She's like an animal  
She walked in and throw her clothes on the floor  
I think she's highly flammable

S-S-S-She's so hard to Tame  
T-T-T-Tame  
S-S-S-She's so hard to Tame  
T-T-T-Tame  
S-S-S-She's so hard to Tame  
T-T-T-Tame  
S-S-S-She's so hard to Tame  
She's like, She's like an animal

I'ma bad girl that can handle that  
I put it down so crazy Maniac  
Your toes curl up and your eyes roll back  
Ain't nobody ever put it on ya like that  
I bangs real hard like Jone's tracks  
Don't catch feelings, don't call back  
They wanna come and claim the cat  
But ain't nobody taming that  
So you can put away ya leash  
I'm beast get it get it

Hey these suckers love sick  
Cause I'm so sick wit it  
And if you ain't know then you know now  
This is how it's going down  
Can't nobody hold me down

She's like, She's like an animal

This weak I've never seen her before  
She's like an animal  
She walked in and throw her clothes on the floor  
I think she's highly flammable

S-S-S-She's so hard to Tame  
T-T-T-Tame  
S-S-S-She's so hard to Tame  
T-T-T-Tame  
S-S-S-She's so hard to Tame  
T-T-T-Tame  
S-S-S-She's so hard to Tame  
She's like, She's like an animal
