The valley of darkness
A place hostile and cold
There's no light where the dark makes you fear

Many souls lost their spirit
Many heroes have died
This is a war without frontier

Carniwar
You're dead if you're not fast enough
Carniwar
Your life hangs by a thread

Carniwar
Your life is just a piece of crap
Carniwar
You might as well be dead

You might win if you're strong
You might lose if you're weak
Close your eyes when you take your last breath

Feel the cold of the winter
Feel the heat of the fire
Cannibal warfare diabolic death

Carniwar
You're dead if you're not fast enough
Carniwar
Your life hangs by a thread

Carniwar
Your life is just a piece of crap
Carniwar
You might as well be dead

We're trapped in this jungle
This hell will drive me insane

Carniwar
You're dead if you're not fast enough
Carniwar

Your life hangs by a thread

Carniwar

Your life is just a piece of crap

Carniwar

You might as well be dead

Carniwar

You're dead if you're not fast enough

Carniwar

Your life hangs by a thread

Carniwar

Your life is just a piece of crap

Carniwar

You might as well be dead
