I saw a cadillac driving to the wishing well
A sweet illusion or a secret from hell

I was paralyzed, kinda hypnotized
And the time stood still

Chorus:
If dollars were dirt
Gold and honey
I'll be watching you
If dollars were dirt
Gold and honey
I can see the truth

There's no one scared and nothing left
Was it my lucky day or am I a jerk

Your shadow's still here, do you live in fear
Is this superstition

Chorus:
If dollars were dirt
Gold and honey
I'll be watching you
If dollars were dirt
Gold and honey
I can see the truth

Solo: Tom / Tom & Kai

Your shadow's still here, do you live in fear
Is this superstition

Chorus:
If dollars were dirt
Gold and honey
I'll be watching you
If dollars were dirt
Gold and honey
I can see the truth

If dollars were dirt

Gold and honey
I'll be watching you
If dollars were dirt
Gold and honey
I can see the truth
See the truth
See the truth
