Hiding the truth, everlasting youth  
Runnin' the thin line till dawn  
The impossible waits, the kiss of death  
Silence - the secret will hurt  
No more time to fulfill  
Enter darkness and thrills

Bridge:

I need more time to understand  
Till we're reaching the end

Chorus:

Nine lives - you'll never forget  
A shadow in white - we hold the night  
Will you forgive me

These cat eyes can cure, I know that for sure  
The king of the jungle beware  
As I hit the trace, a love's changing face  
I'm searching for you everywhere  
I will take care - naturally  
One more chance - faithfully

Bridge:

I need more time to understand  
Till we're reaching the end

Chorus:

Nine lives - you'll never forget  
A shadow in white - we hold the night  
Will you forgive me

Solo

Chorus:

Nine lives - you'll never forget  
A shadow in white - we hold the night  
Will you forgive me

Nine lives - you'll never forget  
A shadow in white - we hold the night  
Will you forgive me
