

## Primal Fear "Scream"

Visit "[Scream](#)" on MotoLyrics.com

you look into the mirror and see the walk of life  
the flame in your heartâ€™s still burninâ€™ - no one  
can change that  
always been a type of winner no matter if life treats you  
hard  
never give in no surrender â€™ leading - succeeding

you can take it all  
just go and break the wall  
go on make your dreams come true  
cause in the darkest night  
you see a light so bright  
and it is shining just for you

scream - show the world youâ€™re right  
scream â€™ even if it hurts  
scream â€™ it will last forever  
scream like itâ€™s now or never

scream â€™ thereâ€™s a goal in sight  
scream â€™ cause your heart still burns  
scream â€™ it will last forever  
scream like itâ€™s now or never

you never saw the reason in doing what they say  
itâ€™s time to go your own way â€™ now and forever  
you never were afraid to carry responsibility  
no living at a venture - deeds instead words

you can take it all  
just go and break the wall  
go on make your dreams come true  
cause in the darkest night  
you see a light so bright  
and it is shining just for you

scream - show the world youâ€™re right  
scream â€™ even if it hurts  
scream â€™ it will last forever  
scream like itâ€™s now or never

scream â€™ thereâ€™s a goal in sight

scream â€“ cause your heart still burns  
scream â€“ it will last forever  
scream like itâ€™s now or never

instructions â€“ foreordination  
just laws and paragraphs  
prohibitions â€“ politicians  
lies and infidelity
