I'm standing here with my shoulders hunched
Feeling squashed in a box, I'm malleable
I'm lazy and greedy for Love

Ooh, ooh

CHORUS

I'm at my Happiest, my Best
When I'm in your hands, in your hands
I'm at my Best, my Happiest
When I'm in your hands

(Best, happiest, best, happiest) x2

A nervous hit in this moment of trust
Awkward indecisiveness, bullets of bravery
And the Cruelty of Love

(Cruelty of Love) x4

CHORUS

(Best, happiest, best, happiest) x4

(In your hands) x2

(Best, happiest, best, happiest) x4

(In your hands) x2
