My mind is blank, today  
And I have no words to say  
The close of a distant hour  
Can be so bold, can be so...  
And this common part of race  
And this fear without a face  
And you can be beautiful  
But, you can be so confused

Just like me  
I'm hanging off my horse  
I'm bringing in the race  
I'm here on my way, my way  
Just like me  
I'm coming on the bus  
I'm coming in fast  
You better make way, make way

Silly, silly.

I think of suicide  
But, I know that I can't fly  
Born on a sea of mourn  
To be so old, to be so...  
And this common part of race  
And yet, I do the same to go with you  
And you can be beautiful  
But, you can so confused

Just like me  
I'm hanging off my horse  
I'm bringing in the race  
I'm here on my way, my way  
Just like me  
I'm coming on the bus  
I'm coming in fast  
You better make way, make way

How many words feel it in my skin  
Only if you try...

Just like me

I'm hanging on - ooh, ooh  
I'm hanging on  
I'm hanging off my horse  
I'm bringing in the race  
You better make way, make way.

Just like...  
Here in my...  
Just like...  
Here in my...  
Just like...
