Freefalling without my mother
I couldn't explain at all
This small vision, I get so quiet
In the middle of a love so tall
As the boy breaks the weather
I don't believe he'll be back at all
And, as we crawl along in this space
I'll make this better.

You've been tearing me up
Tearing me up, again.
You've been tearing me up
Tearing me up.
You've been tearing me up
Tearing me up, again.

In getting older, I get so tired
I shouldn't have to face the day
And where's my lover to drive this train?
Am I veering in a different way?
As the girl makes things better
I don't believe she can make the call.
All it needs to break the bread
And make this better...

You've been tearing me up
Tearing me up, again.
You've been tearing me up
Tearing me up.
(Keep me from this) Tearing me up.
You've been tearing me up
Tearing me up, again.
(Keep me from this) Tearing me up.
You've been tearing me up
Tearing me up.

I don't believe things can get any better
I don't believe things can get any worse.

(Keep me from this) Tearing me up.
You've been tearing me up
Tearing me up, again.

I don't believe things can get any worse.

(Tearing me up, tearing me up)
