Would you look at that kid, I've never seen hands that  
fast  
I get him down at the deli on - on Ocean Avenue  
(Yy-ay-ay chop-chop-chop)  
If we get him down at the deli  
He can handle the whole lunch rush on his own  
(Get me a pickle)  
Unbelievable  
I think what we could do  
Put him back there by the meat slicer  
(Make a sandwich)  
Make a nice sandwich  
We put that black velvet poster with the unicorn back  
there  
Keep him occupied  
Unbelievable he'll - hey  
Don't mess with the beat there, Richie  
(WB- WBK)  
If you're not gonna  
If you're not gonna be in my deli workin  
You're not gonna mess with the beat with that quick  
hand of yours, huh?  
(Stay off that beat)  
Hands like lightning  
I'm gonna have you down there  
For 3 and a quarter an hour  
Money like that sounds good, huh?  
Think about it: 3 and a quarter  
(You'll have that jeep before you know it)  
A big jeep with big wheels  
You can drive real fast  
(You can move around with all your hoodlum friends)  
Around my block a million times  
Cause where you're gonna go anyway, huh?  
Me, I'm goin to Florida in 4 years  
You work the lunch special  
It be beautiful, I can see it  
40 sandwiches an hour

I hear ya

videos.
