Well, well, well
Maybe, I'll wantcha 2morrow
(The most beautiful girl in the world)
On the deep blue sea

Perhaps you noticed that I never look you in the eye
I'm just afraid that I might die of my love for you
I wanna kiss you but baby, I dare not try
Or my dreams most surely will come true

So that's why please don't hold my hand 'cuz I will
Damn sure understand and kill
The other boys in the band
Who want you 2morrow, 2morrow

They can't tap it, not 2morrow
(The most beautiful girl in the world)
You're mine 2morrow

On a deep blue sea, I wanna be swept away
With you, I could pass the time
Of every night and every day
(All time)

Never remembering the songs to sing
Let alone what notes to play
I'm gonna die of my love for you, baby

Stay with me tonight, my dear
But please don't hold me tight 'cuz I fear
My heart just might feel joy
Instead of sorrow 2morrow

I don't wanna be happy, not 2morrow
(Not 2morrow)
(The most beautiful girl in the world)
I'd rather cry 2morrow

2morrow is the day I say after today
That you and I can play like we wanna
With undergarments thrown, the seed can be sown
Slippery in the sauna

(Oh)

If I could just look you in the eye
But baby, I dare not try
'Cuz then my dreams will surely come true
(All time)

Please don't hold my hand 'cuz I will
Damn sure understand and kill
The other boys in the band
Who want you 2morrow, 2morrow

2morrow
(The most beautiful girl in the world)
