'Bout time, come in

Ow!

(319)

Take off your clothes

319

Bet U got a body, by God

Come on, let me see

U oughta

My camera's gonna get U when U get it good and wet

U oughta let me come and pet U so it lasts, baby

319

Can I see it, baby? (Mmm) Ow!

I got a good shot, put your leg on the chair (Like that?)

U know U're 2 hot when U play with your hair (Ha ha ha)

I like it

I just wanna holler, scream, and shout

When U let your fingers do the walkin' in and out and

all about

319

Ah hoochie, don't do that

U.. U.. U make me wanna dance!

Now watch this

Lock the door and kill the phone

My camera, U and me alone

Will make a picture all will see and go

"Ow, 319"

Oh baby, how'd U get your legs 2 do that?

Ooh shit

(319) [repeat in BG]

319

U're just 2 mean

319

Yeah, yeah, go on girl

Ain't gotta tell U cuz U already know
Girl, U in the house so keep runnin' that show
Go on girl
Yeah

Come here
Have U ever kissed another woman on the dance floor?
Come here, where U goin'?
Come here
319 (319)

Oh
