Visit "[9 Lives](#)" on [MotoLyrics.com](http://MotoLyrics.com)

9 - 9 - 9 - 9 - 9 lives

This is the 90's and I need a lover with (9 lives)

With my bad self

(If I really) {sample repeats in song}

I.. I.. I.. I..

(9 lives)

Sing Stella

CHORUS:

If I really had 9 lives

I'd want a lover that controlled my mind

Someone who knows about the heavenly sin

How 2 kill with love again, again and again

When she calls me on the phone

She'll ask if I'm alone

Standin' at my door lookin' mega-fine

Heck-a-pump body sayin' good time

When all the others talk plenty of jive

My lover talks about 9 lives

The first 2 promise I'll die from the heat

Generated from the moment that our eyes meet

CHORUS

(With my bad self)

Life number 3 and number 4

Are spent makin' love on the magic floor

It's got no walls so all can see

The way real love is supposed 2 be

Don't be ashamed, my lover said

Then she says "Mmm, I betcha I'm mega-jammin'"

Life number 5, 6 and 7

Need U ask, go like heaven

CHORUS

(With my bad self)

(Control me)

With my bad self

If I really had 9 lives

I'd want a lover that controlled my mind

2 kill with love, we'd never die

We'd never long 4, we'd never cry

If we live 4 havin' each other's touch

It's never 2 little, it's never 2 much

Play

With my bad self

With my, with my bad self

If I really had, if I really had, if I really had 9 lives

This is the 90's

And everybody wants a lover

A life-long lover with 9 lives

(9 lives)

This is the 90's

(CHORUS) {repeat in BG }

Sing Stella

Call me up on the phone

I'll be here all alone

I'll be waitin' on U, baby

I'll be waitin' on U and your 9 lives!

Silence
