Ooh, ooh, ho, ho, ho
Baby, yes, oh

Until the end of time
I'll be there for you
You own my heart and mind
I truly adore you

If God one day struck me blind
Your beauty I'd still see
Love's too weak to define
Just what you mean to me

From the first moment I saw you
Ooh, I knew you were the one
That night, I had to call you
I was rappin' till the sun came up

Tellin' you just how fine you look
In a word, you were sex
All of my cool attitude you took
My body was next

You made love to me
Like you were afraid
Was you afraid of me?
Was I the first? Was I your every fantasy?

That's why, until the end of time
I'll be there for you
You own my heart and mind
I truly adore you

If God one day struck me, struck me blind
Your beauty I'd still see
Love is too weak to define
Just what you mean to me

When we be makin' love
I only hear the sounds
Heavenly angels cryin' above
Tears of joy pourin' down on us

They know we need each other
They know you are my fix
I know that you know that I ain't cheatin', baby
They know this is serious

I ain't funk'in just for kicks, no
This condition I've got is crucial, crucial, baby
You can say that I'm a terminal case
You could burn up my clothes
Smash up my ride

But I got to have your face all up in the place
I'd like to think that I'm a man of exquisite taste
Hundred percent Italian silk imported Egyptian lace
Nothin' baby, I said nothin' baby could compare
To your lovely face

Do you know what I'm sayin' to ya
Try, try, try to say, just try to say
That until, until the end of time
I'll be there for you

Be there for you
On my heart, on my mind
I truly adore you, ooh, huh
You don't know what you mean to me

Baby
(Until the end of time)
Baby
(I'll be there for you)
Baby
(You own my heart and mind)
Til the end of time I'll be there for you
(I truly adore you)

(Adore you)
Can I talk to you?
Tell you what you mean to me
Every time you wander
(Until the end of time)

I'll be your eyes so you can see
(I'll be there for you)
I wanna show you things
(You own my heart and mind)

That I show no other, I wanna be
(I truly adore you)
More than, more than your mother

(If God one day struck me blind)

More than your brother
(Your beauty I'd still see)
I wanna be, like no, like no other
(Love is too weak to define)

If you need me, I'll never leave
(Just what you mean to me until the end of time)
I know, that you know, without you there is no me
(I'll be there for you, you own my heart and mind)

There is no me
(I truly adore you)
Without you there is
(If God one day struck me blind)

No sea, there is no shore
Love is too weak to define how much I adore
(Your beauty I'd still see)
You, child, you child
(Love is too weak to define)

The last words you hear
The last words you hear
(Just what you mean to me)

Until, until the end of time
I'll be there for you, baby
(Until the end of time)
Be with me darlin' 'til the end of all time

(Until the end of time)
I'll give you my heart
I'll give you my mind

I'll give you my body
(Until the end of time)
I'll give you my time
Until the end of time
Until the end of time

For all time I am with you
You are with me until the end of time
Ooh, you are with me
You are with me
