Seems like nothing's ever gonna change in my world  
Every day is more the same old thing, yeah  
But in the spring, I'm gonna graduate from hi school  
Then I won't have 2 live by anybody else's rules  
Everybody tells me things don't stay the same  
If U wanna live, U gotta play the game

And they say - "Hey U, what U gonna do after hi  
school? (Hi school)  
Hey U, what U, what U gonna do?" (Hi school)  
And they say - "Hey U, what U gonna do after hi  
school? (Hi school)  
Hey U, what U, what U gonna do?" (Hi school)

But there's a lot of stuff that I could learn 2 do in my  
world  
Learn 2 drive a truck or maybe even join a band  
My parents tellin' me I got 2 go 2 college  
I won't get anywhere if I don't have the knowledge  
Uncle Sam keeps sending letters in the mail  
If U don't register, U're gonna go 2 jail, gonna go 2 jail

"Hey U, what U gonna do after hi school? (Hi school)  
Hey U, what U, what U gonna do?" (Hi school)  
And they say - "Hey U, what U gonna do after hi  
school? (Hi school)  
Hey U, what U, what U gonna do?" (Hi school)

Listen 2 me, listen 2 me!  
Hey U, what U gonna do? {x2}  
Hey U, what U gonna do after hi school?

I say now  
(Hey U!) (Hi school) {x6 in BG}  
I.. I..  
I say now  
Oh  
I say now, now, now, ... oh  
Yeah

I say now, now, now, now, oh!

Hey U! - Oh yeah  
Hey U! - What U gonna do?  
Hey U! - Oh yeah  
Hey U! - What U, what U, what U, what U gonna do?  
(Hey U!) (Hi school) {x8 in BG}  
I'm talkin' 2 ya U stupid slob!  
Get a job U bum!  
I say now, now, now, ... oh  
I'm talkin 2 U  
Oh yeah {x2}  
(Hey U!) {x3
