[Intro]

Ain't gonna miss you when you're gone
When I did you right, you did me wrong
Ain't gonna miss you when you're gone
Only thing I'm leaving you: alone

By my critique, something's changed
Every time you speak, it sounds deranged
Blessed are the meek
You used to be my girl
Now you're just a freak
That's going back in the world
Ain't gonna miss you when you're gone
Only thing I'm leaving you: alone

Stacking the weeks
Sitting, counting the years
Never been scared of nothing
But you I fear
No more curse, cause you're away
Nothing's worse than talking talk on holy days
Ain't gonna miss you when you're gone

[Interlude]

Ain't gonna miss you when you're gone
Ain't gonna miss you when you're gone

Ain't gonna miss you, never would
I bet you think this song is about you
I give her credit when credit's due
But if it wasn't for me
You'd be a who
Ain't gonna miss you when you're gone
Ain't gonna miss you when you're gone

Last time I checked
Every man is free
Free of each other now
You and me
Speak my name
It's in my soul

Just don't ask you to miss you
When you're gone

[Interlude]

[Rap Break]

Never gonna miss you
Don't you look for me to hit you
Only thing I'm leavin' with you is alone
Nobody wanna kiss you
Where the sun'll never hit you
Better take your Gucci up and be gone

Ain't gonna miss you when you're
Ain't gonna miss you
Never, boo
It really don't matter
Whatever you do
Ain't gonna miss you
Nevermore
Go ?
And your rubber tatas

I'm not, I'm not
Ain't gonna miss you
Ain't gonna miss you when you're gone
When you're gone
Get gone
I don't think you heard me
Gone
Ain't gonna miss you

[Rap Break]

[Outro]

Ain't gonna miss you when you're gone
