Oh, what a beautiful morning
Oh, what a beautiful ass
Darling, this is my final plea 4 love
Take me now or witness the slow and horrible death of
your white fox
My time is running out
I can wait no longer
I watch as U make love 2 others
Disgusting as it seems, it intoxicates me
U might say that I'm amused 2 the point
Where my blood increases, my heartbeat accelerates
And my mouth waters uncontrollably
4 I know that no woman will ever love U like your white
fox
No woman will ever kiss U in this lifetime or the next
The way U and I kiss 2night
Take me now as I am
4 I am becoming confused 2 what I stand 4 and desire
Tell me, darling, who I am, who I am, what I am, what
am I?
What am I?

Oh, are these my lips
Or are they petals from some crazy flower?
Oh, are these my hips?
If they are, then they're some kind of powerful

CHORUS:
All day, all night
U can be my baby, I'll make U feel alright
All day, all night
U can be my baby, I'll make U feel alright

Oh, is this your mouth?
Am I swirling in some wet tornado?
Oh, U make me wanna shout
When I'm in your arms, I feel like Play-Doh

CHORUS

Wait a minute

Oh, is this your house?
Am I in an ocean of desire?
Oh, U make me wanna shout
When I'm in your love, I feel on fire (Ooh)

All day, all night
U can be my baby, make U feel alright
All day, all night
U can be my baby, I'll make U feel alright

Shockalaka

All day, all night
U can be my baby, make U feel alright {repeat phrase
4 times}

Yeah, yeah, yeah

What I {confused ad-libbing}
Am what am I what
Am I who
Am I who, darling, me 2
Desire 4 and I want 2 be with U
(Start, don't stop, make love every night and all day)
{repeat in BG}
Becoming ... 2night I kiss ... I love U
Woah darling ... night time
U kissed ... I wanna know
(Start, don't stop, make love every night and all day)
{x3}

Hey, what's happenin' y'all?
This is a groove up in here

U can be my baby, make U feel alright
All day (all day), all night (all night)
U can be my baby, make U feel alright
All day (all day), all night (all night)
U can be my baby, make U feel alright
What am I? (All day) What am I? (All night)
U can be my baby, make U feel alright
