This jam is 4 that special someone  
Whoever that someone may be  
(Ooh, ooh baby, ooh baby baby, U're all that)  
Just let'em know how wonderful they are  
(Ooh, ooh baby, ooh baby baby, U're all that)  
Now break it down

Like a symphony in the key of I-o-v-e  
Baby, that's what U are 2 me  
Like a new dress or a new hat  
Oh baby baby, U're all that  
In my dictionary there's a picture of U  
Next 2 the word "desire" cuz that's what U inspire

Ooh, ooh baby, ooh baby baby, U're all that  
Ooh, ooh baby, ooh baby baby, U're all that  
(Oh baby baby, U're all that)  
Ooh, ooh baby, ooh baby baby, U're all that  
Ooh, ooh baby, ooh baby baby, U're all that

And when it comes 2 s-e-x  
What can I say, baby? U're the best  
Just the thought of us lovin', kissin', huggin'  
(I love it when we have our fun) {repeat in BG}  
It gets me all groovy  
When U do a little some of this, a little some of that  
(Ooh, ooh baby, ooh baby baby, U're all that)  
Psychedelic flashes appear

I'm like a spider in heat in this web of love that U've  
spun  
And as I stop and think, the nectar we drink is of one  
(Ooh, ooh baby, ooh baby baby, U're all that)  
It's hard 2 believe, baby, the fun has just begun  
So hold on, here we go  
As we ride, 2 people who take pride in pleasing each  
other  
When it comes 2 U, baby, I've got no limits  
I'm not shy, I'm not timid

Honey, U're all that

(Ooh, ooh baby, ooh baby baby, U're all that)  
Let's get with it  
(Ooh, ooh baby, ooh baby baby, U're all that) {repeat 2  
fade
