I saw a friend of mine today
In an ad sayin', what would do my body good
I told him he was wasting time, I say
If God wanted milk in me
The breast I suck would have a line around the hood

No member of the animal kingdom nurses past
maturity
No member of the animal kingdom ever did a thing to
me
It's why I don't eat red meat or white fish
Don't give me no blue cheese
We're all members of the animal kingdom
Leave your brothers and sisters in the sea

Animal, animal kingdom
Animal, animal kingdom

Who told us we should eat the swine?
You can bet your final money, it damn sure wasn't no
friend of mine
What about the clams on the shore?
Souls in progress, here come the fisherman, soul no
more

No member of the animal kingdom nurses past
maturity
(Nurses past, oh, yeah)
No member of the animal kingdom ever did a thing to
me
(Ever did a damn thing)

So, I don't eat no red meat or white fish
Or funky, funky blue cheese
We're all members of the animal kingdom
Leave your brothers and sisters in the sea
