Have you ever been so lonely
That you felt like you were the only one in this world?
Have you ever wanted to play with someone so much?
You take any one boy or girl

Anna Stesia come to me, talk to me, ravish me
Liberate my mind
Tell me what you think of me, praise me, craze me
Out this space and time

Between white and black, night and day
Black night seemed like the only way
So I danced, music late, nothing great
No way to differentiate, I took a chance

Gregory looks just like a ghost
Then a beautiful girl the most
Wets her lips to say, "We could live for a little while
If you could just learn to smile
You and I could fly away, fly away", ooh

Anna Stesia come to me, talk to me, ravish me
Liberate my mind
Don't tell me what you think of me, praise me, craze me
Out this space and time

Maybe, maybe, maybe I could learn to love
I mean the right way, I mean the only way
Perhaps you could show me, baby

Anna Stesia come to me, talk to me, ravish me
Liberate my mind

Maybe, maybe, maybe, I could learn to love
Ah, if I was just closer to somethin'
Closer to your higher self, I don't know
Closer to heaven, maybe, closer to God, yeah

Save me Jesus, I've been a fool
How could I forget that you are the rule
You are my god, I am Your child
From now on, for You I shall be wild

I shall be quick, I shall be strong
I'll tell Your story no matter how long
No matter, no matter, no matter
No matter, no matter, yeah

We're just a play in Your master plan
Now, my Lord, I understand

Love is God, God is love
Girls and boys love God above
Love is God, God is love
Girls and boys love God above

Anna Stesia come to me, talk to me, ravish me
Liberate my mind
Don't tell me what you think of me, praise me, craze me
Out this space and time

Love is God, God is love
Girls and boys love God above
Love is God, God is love
Girls and boys love God above

Love is God, God is love
Girls and boys love God above
Love is God, God is love
Girls and boys love God above

Love is God, God is love
Girls and boys love God above
Love is God, God is love
Girls and boys love God above
