Last night, I spent another lonely Christmas  
Darlin', darlin', you should've been there  
'Cuz, all the ones I dream about  
You are the one that makes my love shout  
You see, you are the only one I care for

Remember the time we swam naked  
In your father's pool?  
Boy, he was upset that night  
But boy, was that ever cool

Remember that night we played pokeno for money  
And you robbed me blind?  
Remember how you used to scream so loud  
'Cuz, you, you hated that number 9?

Hey, I saw your sister skatin' on the lake  
This afternoon  
Good heaven, how she's grown  
She swoons the boy skaters, she's so tall

But of all your father's children  
All your father's children, baby  
You know, you are the finest of them all  
You are brighter than the northern star

And I, last night, I spent another lonely Christmas  
Darlin', darlin', you, you should've been there  
You see, of all the ones I dream about  
You are the one that makes my love shout  
You see, you are the only one I care for, yeah

My mummy used to say, always trust your lover  
But now, I guess that only applies to her  
'Cuz, baby, you promised me  
Baby, you promised me, you'd never leave  
Then you died on the 25th day of December, oh, baby

Last night, oh, I spent another lonely, lonely Christmas  
Darlin', baby, you, you should've been there, oh, oh  
'Cuz all the ones I dream about  
You are the one that makes my love shout

You see, you are the only one I care for, yeah

Your father said it was pneumonia  
Your mother said it was stress  
But the doctor said you were dead  
And I, I say it's senseless

Every Christmas night for 7 years now  
I drink banana daiquiris till I'm blind  
As long as I can hear you smilin', baby

You won't hear my tears  
Another lonely Christmas is mine  
Yeah, mine, yeah  
Another lonely Christmas is mine

Last night, yeah, I spent another lonely, lonely  
Christmas  
Darlin', darlin', you should've been there, yeah  
'Cuz all the ones I dream about  
You are the one that makes my love shout  
You see, you are the only one one care for
