Open your heart, open your mind  
A train is leaving all day  
A wonderful trip through our time  
And laughter is all U pay  
Around the world in a day, oh!  
Around the world in a day

Now dig...  
Loneliness already knows U  
There ain't no reason 2 stay  
Come here, take my hand, I'll show U  
I think I know a better way, y'all

Around the world in a day, ow!  
(Listen 2 me now)  
Around the world in a day  
All the babies sing it now

Ooh la, la  
Ooh la, la, la, la  
No, sha, sha  
No, no shouting every day (No shouting every day)  
No shouting (No shouting)  
No, no shouting  
Ha, ha, ha, ha, ha, ha, ha, ha  
The little one will escort U  
2 places within your mind  
(The former is red, white, and blue)  
Former is red, white, and blue!  
(The latter is a purple climb)  
The latter is a purple - come on and climb!

Around the world in a day, sugar (Oh, baby)  
Around the world in a day  
Come on, say it!  
Around the world in a day  
Say papa, I think I wanna dance!

(In summer she??s sweeter)

Around the world in a day {repeat to fade}  
Oh yeah!

All the little babies sing around the world  
A government of love and music boundless in its  
unifying power {fade out}  
A nation of art 2 production  
Sharing ideas, a shower of flowers
