

Prince "Automatic"

Visit "[Automatic](#)" on MotoLyrics.com

U ask me if I love U
It's automatic
Cuz every time U leave me, I die
That's automatic 2

U ask me 2 forgive U
When U know I'm just an addict
So stop the music, baby
U know U're all I wanna do

CHORUS:
(Hey!)
A-u-t-o-matic
Just tell me what 2 do (Oh)
A-u-t-o-matic
I'm so in love with U

U ask me if I'll kiss U
It's automatic
And if U cry, me cry, boo hoo
That's automatic 2, ooh

I would never leave U
No matter what U do
So stop the music, baby
U know I'm an automatic fool

(Hey!)
A-u-t-o-matic
Just tell me what 2 do (Until I stop)
A-u-t-o-matic (Oh)
I'm so in love with U (Oh ooh)

I'll rub your back 4ever
It's automatic (A-u-t-o-matic)
I'll look 4 a needle in a haystack
That's automatic 2, ooh (A-u-t-o-matic)

I'll go down on U all night long
It's automatic (U will?) (Yes I will, babe)
And even when I'm right, I'll be wrong
That's automatic 2 (A-u-t-o-matic)

(CHORUS) {repeat 3 times in BG}

Tell me what 2 do, baby

Mmm

So in love with U, yeah

Tell me what 2 do, baby

So in love with U, baby yeah

Alright, alright

Tell me what 2 do, baby

Yeah, yeah, yeah!

(Hey!)

A-u-t-o-matic {x2}

Come on, baby

A-u-t-o-matic

Tell me what 2 do

A-u-t-o-matic

So in love with U

Don't say that no man has ever tasted your ice cream

Baby, U're the purple star of the night supreme

U'll always be a virgin

4 no man deserves your love

I only pray that when U dream

I'm the one U dream of

I pray that when U dream

U dream of how we kiss

Not with our lips, but with our souls

Stop me if I bore U

Why is it that I think we'd be so good in bed?

Can U hear me?

Why do I love U so much?

It's so strange, I'm more comfortable around U when

I'm naked

Can U hear me?

I wonder if U have any mercy, don't torture me

Stop the music, baby

Automatic fool!

When it comes 2 U, I'm automatic, baby

There's no one else like me

I'm the best U'll ever find

No one else could understand U

U're 2 complex

They say nothing's perfect

But they don't know U

It's automatic 2

Can U hear me?

(A-u-t-o-matic) {repeat in BG }

Honey, I'm so addicted 2 your pleasure
I'm addicted 2 your pain
It's automatic
Automatically insane
Undress me

Hey!
A-u-t-o-matic, oh no, no, no, no
A-u-t-o-matic {x2}
Hey!

Fasten your seat belts
Prepare 4 takeoff

I can dream of how U kissed me
Not with your lips, but with your soul
With U I'm never bored
Talk 2 me some more
I can hear U
I'm going 2 have 2 torture U now
