Look girl, what did I tell U?  
No mira, let me tell U something, OK {No look, ...}  
U cannot get something 4 nothing  
U've been lookin' 4 him, U've been takin' good care of  
him  
Pero oyes, he's never there 4 U so U know? {But listen,  
...}  
Mira, yo no tengo tiempo {Look, I have no time}  
Because look, U gotta think of what U want girlfriend  
U gotta remember who U are and where U came from

Baby don't, baby don't, baby don't, baby don't really  
care  
Baby don't, baby don't, baby don't, baby don't really  
care

He's got the flava, but let me tell U something  
He ain't no 4ever fella

So I hear U got another lover, that's what people say  
U and me like sister/brother, that was yesterday  
I only tried 2 teach U one word, that was how 2 stay  
But U dogged me anyway (What did I tell U?)

CHORUS:

Baby don't, baby don't, baby don't, baby don't really  
care  
U were bad, but hey  
Baby don't, baby don't, baby don't, baby don't really  
care  
Have dog will stray

It ain't all that

So I guess it really made U happy 2 do me like U did  
Weren't U gonna ever tell me or just play me stupid?  
What would U do if me and U would've had a kid?  
I guess U're sorry now (What did I tell U?)

CHORUS

It ain't all that, it ain't all that girl  
U gotta think about yourself  
U gotta think about what U wanna do with your future

I don't wanna lose U cuz of something I heard  
But every other day I wanna kick your butt 2 the curb  
I found a phone number in your pocket, called up the  
nerd  
I said "Smack, smack if I ever see U - word!"

When U try 2 lie with those puppy eyes  
I just wanna die cuz U just can't be trusted  
How U try and try, nothing will I buy  
Still U sell and I only get disgusted  
Put it in the bank boy, she don't care!

Baby don't  
What did I tell U?

So I don't know what U did 2 make me chase U like I do  
Whatever it is U better keep doing it or I'll catch up with  
U  
4 all U know I just might have a couple of secrets, ooh!  
Maybe just 1 or 2

#### CHORUS

Mayte's in the house {x2}  
Gloria Estefan  
Mayte's in the house

Yo no se que esta pasando con esta gente  
{I don't know what's happening with these people}  
Estos muchachos, siempre como un perro  
{These guys always like a dog}  
Tu les das todo tu amor y todo y te tratan mal  
{U give them all your love and they treat U bad}  
Como yo dije, siempre un perro  
{Like I said, always a dog}

New Power Generation, where are they now? (Hey)

Baby don't, baby don't (Baby don't really care)  
(New Power Generation, where are they now?)  
Oh yes, baby don't, baby don't (Baby don't really care)

U don't need 2 be caring honey, uh uh  
U do not need 2 be caring about what he's doin' or  
where he's doin' it  
Pero, let me tell U something (Baby don't, baby don't)  
{But, ...}

U are number one in your life  
I know U like 2 do, I know U like 2 do (Baby don't really  
care)  
But U just gotta move on girlfriend  
U gotta know when 2 say no  
Tu sabes? {U know?}  
(Hell yeah
