Hey, look me over
Tell me do u like what u see?
Hey, I ain't got no money
But honey I'm rich on personality
Hey, check it all out
Baby I know what it's all about
Before the night is through
U will see my point of view
Even if I have 2 scream and shout

Baby I'm a (star)
Might not know it now
Baby but I r, I'm a (star)
I don't want to stop, 'til I reach the top
Sing it (We are all a star!)

Hey, take a listen
Tell me do u like what u hear?
If it don't turn u on
Just say the word and I'm gone
But honey I know, ain't nothing
Wrong with your ears
Hey, check it all out
Better look now or it just might be 2 late (just might
be 2 late)
My lucks gonna change tonight
There's gotta be a better life
Take a picture sweetie
I ain't got time 2 waste

Oh baby I'm a (star)
Might not know it now
Baby but I r, I'm a (star)
I don't want to stop, 'til I reach the top

Sing it! (We are all a star!)

Everybody say, nothing come 2 easy
But when u got it baby, nothing come 2 hard
You'll see what I'm all about (see what I'm all about)
If I gotta scream and shout (if I gotta scream and

shout)
Baby baby (baby) baby (baby) baby (baby)
yeah
yeah yeah yeah yeah yeah (star)

Might not know it now
Baby but I r, I'm a (star)
I don't want to stop, 'til I reach the top
Sing it! (star)

Baby baby baby
oh baby I'm a (star)
baby baby baby
somebody
(We are all a star)

(Baby I'm a star)
We are all a star

We are all a star

Doctor!
Baby, baby, baby, baby,
baby, baby, baby, baby
We are all a star

{Backwards talking in the background}
"Like what the fuck do they know
All their taste is in their mouth
Really. What the fuck do they know?
Come on baby. Let's go... crazy"
