Time 2 sleep  
But I'm not sleepy yet  
Close my eyes  
But dreamland's not a sure bet  
Don't go

CHORUS:  
Stay with me  
Tell me a bedtime story

Long ago there was a princess  
She was so fine  
She was all alone  
4 her prince, he never had no time  
U can hear her crying

CHORUS

Don't go  
Stay with me  
Please talk 2 me

Far away I want 2 go  
And start my life all over  
Instead, I'll stay  
Maybe I'll find a 4-leaf clover

Stay with me  
Tell me a bedtime story, yeah

CHORUS

Goodnight
