Bite the beat, it tastes so good
Bite it till U're satisfied
Ain't nothin' wrong with dancin' all night long
U can still be dignified

When I first saw your teeth
I knew U were the only one qualified
2 bite the beat, don't try and call your mother
Just bite it till U're satisfied

CHORUS:

U can do it, bite the beat (Bite the beat)
Come on honey, bite the beat (Bite the beat)

Work your body, make yourself sick
Come on, bite the beat of the star
Don't worry, U'll still be dignified
It tastes like caviar

When I first saw your teeth
I knew U were the only one qualified
2 bite the beat, don't try and call your mother
Just bite it till U're satisfied

CHORUS

Bite the beat, it'll do U no harm
Unless U choke on a guitar string
Peanut butter, false alarm
I wanna dance, I don't wanna sing ... now check it

Uh uh, bite the beat (Bite the beat)
Come on baby, bite the beat (Bite the beat)
Don't be shy, bite the beat
Don't try and call your mother (Bite the beat)
Bite the beat of the star
Bite the beat, it's so so yummy (Bite the beat)
It's tastes like caviar
Bite it

That's right, there'll be no more wet dreams 4 Brenda

At least not 2 night
Come on, bite it ... ha ha ha ha
(Bite the beat) {x4}
Bite it

{laughter}
God, I wasn't ready
